LOOKIN' GO

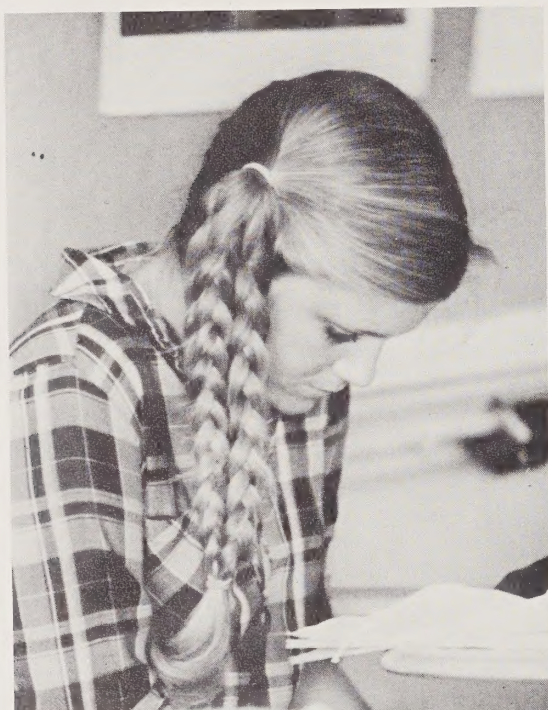

OD TOGETHER

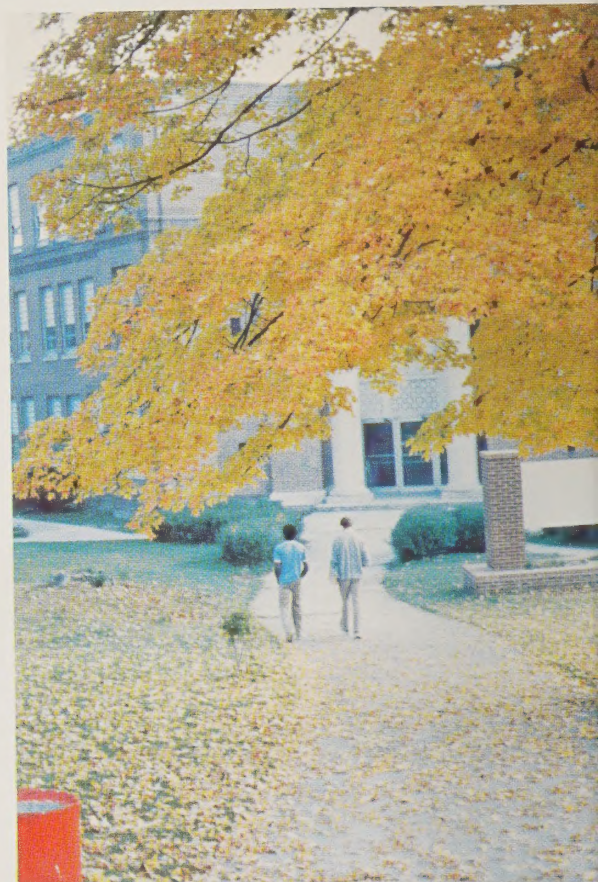

Hendersonville is a city of color — the beautiful fall colors; the warm, rich local color of the South.

Here at Hendersonville High School,
everything we did was in color.
Everything we did had style ...

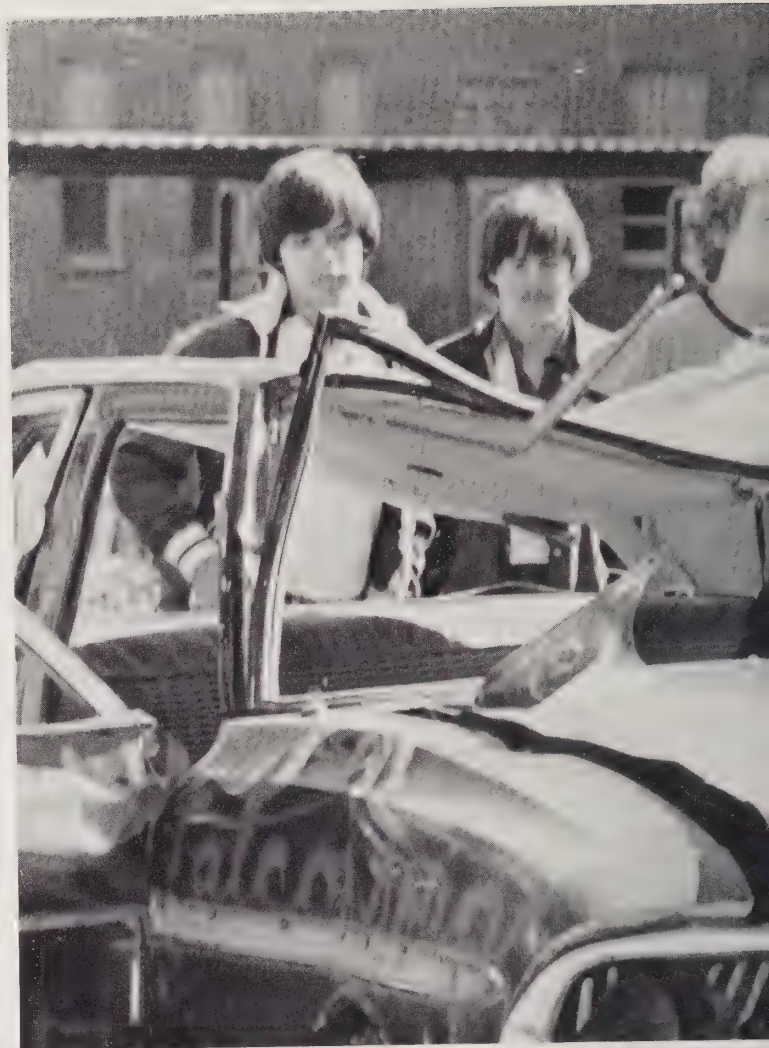

That special "Touch of Class" from planning Homecoming to painting the Senior Steps ...

Being together,
laughing with friends ...

Helped us to grow ...
that's what made us colorful.

We lived, and laughed,
and created vibrant melodies
in a world that we made new.

That's what made us look so good —

TOGETHER

WE'RE LOOK

IN' GOOD!

We were Freshmen? The Girls drooled over those Senior guys and the boys marvelled at the "mature" women. Of course there was dance class on the sundial and chorus in the lunchroom. Remember your first formal dance? We suffered through P.E., carrying Senior's books, and constantly losing the Spirit Stick. That year the basketball team went to State and the Seniors put on "Guys and Dolls". Remember?

Drivers license. That was the highlight of the Sophomore year. There were many "unforgettables" that year: Mr. Holtzclaw, "Mick Jagger" Douglass, the Bi-Lo bull and the little red Volkswagen. We won the Powderpuff Game, enjoyed the North Buncombe Mudball Game, and were forced to say so long to Coach Hunt.

As Juniors we could have sworn we were the best thing that ever happened to H.H.S. There was Moby Dick, class rings, the "Junior Steps," those Southern Men, and the Junior-Senior. Don't forget General High School, and going to State with the basketball team. We won the Powderpuff Game again, tried to digest the "Demon Theory" and said good-bye to our special Senior friends. There was the Move-Up Assembly and then ...

Seniors at last! Senior English, The play, Senior pranks, Homecoming, and the Junior-Senior. Some of us got to vote in our first Presidential Election. We all gloated over off-campus lunch and threw our weight around over the underclassmen. We moaned and groaned that school would never end and we would never get away from here. And now we realize for some reason or another we just may miss H.H.S. We sure did look good together, didn't we? Remember when ...

Fall is both an end and a beginning. The changing colors of the leaves, the overflow of books, and the banging of lockers mark the end of summer freedom, and students must once again turn their attention to the demands of H.H.S.

For the incoming freshmen this season of change has a special meaning. As the future members of the Class of 1984 they are only beginning to experience the laughs, and tears, the ups, and the downs that are an inevitable part of H.H.S.

"I was scared to death when I first came to Hendersonville High School. I was afraid of the upperclassmen, particularly the seniors. I pictured them as huge, seven-foot, monstrous people, but they are not really that bad. They still give us a hard time, but the school would be dull without them."

No doubt the freshmen's feelings about H.H.S. will change as they progress through school, but isn't that to be expected? Just as the seasons continually change, so will each individual of this year's freshman class.

Winter can be a depressing time for some people, with all the bitter cold weather, and the seemingly endless homework. If I could have chosen any class to represent this season, I certainly would not have chosen this year's sophomores. If anything they represent all the enthusiastic but fierce snowball fights that begin as Christmas approaches.

I myself cannot remember any underclassmen group that has made their presence more felt than these members of the Class of '83. Some of the many activities and assemblies Student Council coordinated this year were the Watermelon Blast, the soc-hops, the Homecoming Week and Dance, the Bearcat Capers, Human Relations Week, Pep Board, Point Board, International Relations, and just about every assembly. The Student Council is sponsored by Mrs. Mary Beth Fender and Mrs. Hannah Edwards.

Keywanettes is a service club serving both the school and the community. Some of the school projects include co-sponsoring the Christmas Dance, cookies for the teacher's lounge, teacher's aides, and Halloween Luncheon for the teachers. Community projects include assisting with the Heart Fund, visiting Lakewood Manor Nursing Home, and collecting clothes and canned goods for needy families.

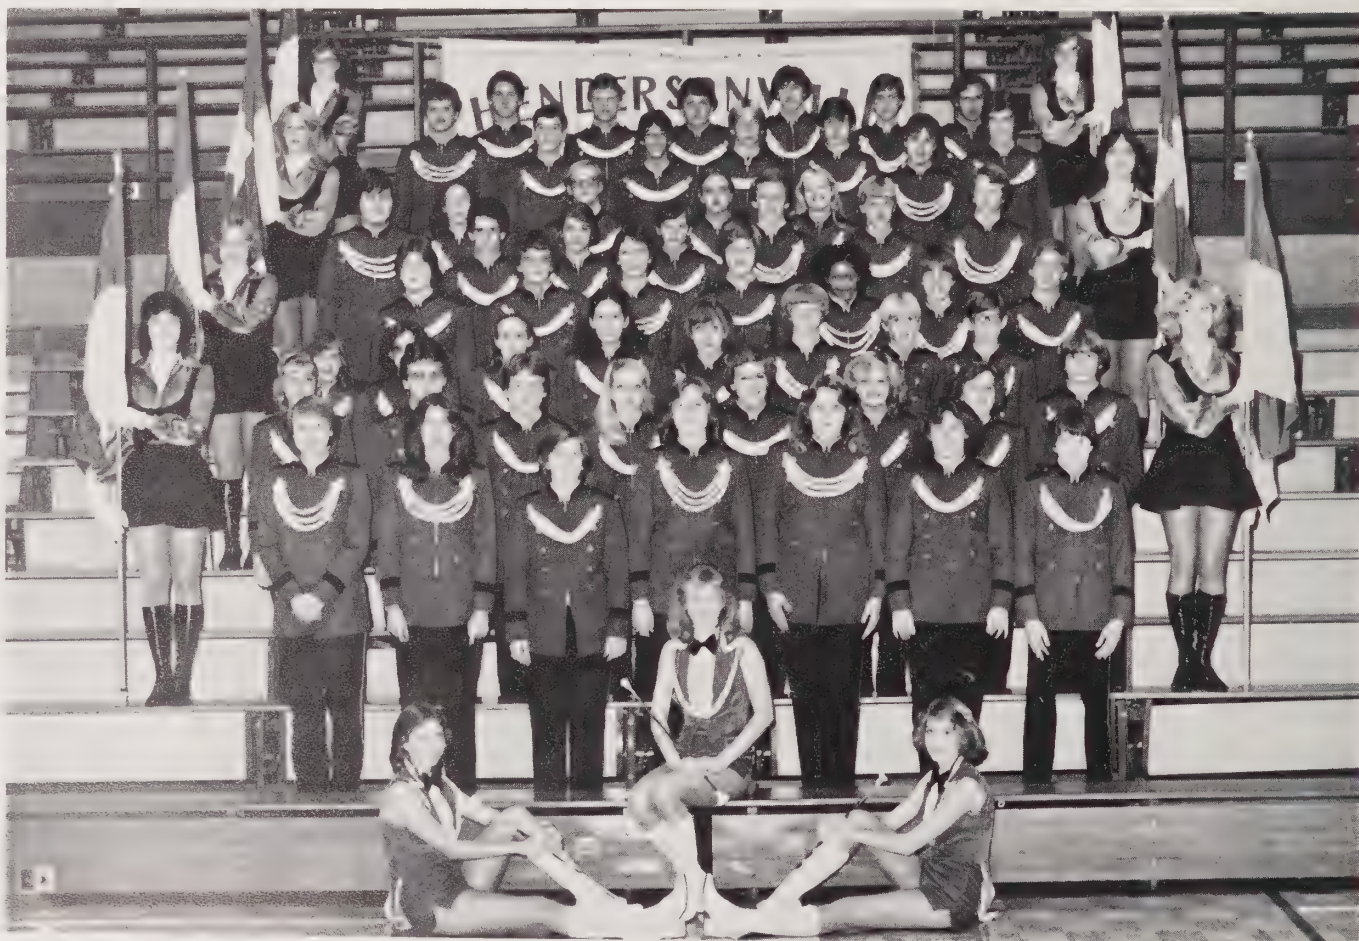

This year the H.H.S. Keywanettes were chosen the District Club for both North Carolina and South Carolina. They hosted the fifth annual District Convention.

The Hendersonville High School Band had a very successful year. The Marching Band earned a First Division rating at the Land of the Sky Marching Festival. The Symphonic Band performed for the North Carolina Music Educators Association and received three standing ovations — Kathleen Kitts and Jimmy Stokes were featured soloists. The Band plans a trip to Disney World of Florida in early April and a return trip to the North Carolina State Contest for what we hope will be another Superior rating. Our Band has earned 25 Superior ratings in the past 13 years and has performed twice for the North Carolina Music Educators Association.

During the past years HHS has developed a well-rounded theatre program, providing educational benefit. When students experience superior plays written by outstanding authors, they learn, through character exploration, of the physical, mental, and emotional development of the human personality, of people's motives, reactions, standards and ideals — all of which enriches the students' lives and helps them gain poise, social understanding, self-awareness and self-esteem.

The theatre program at HHS strives to provide the finest theatre experiences and opportunities for students, including a theatre class, extracurricular theatre activities, and a yearly production schedule of one-act and/or full-length plays and presentations.

Along with producing the yearbook for HHS students, the Laureate staff has sponsored several activities. Through these activities — school pictures, powderpuff, and victory ribbon sales — we have tried to show support for the Bearcats.

The 1980-1981 Laureate staff has tried to present a picture of the HHS student. The staff hopes that each student will see a reflection of himself in the '81 Laureate.

Of the many special moments we've had this year at H.H.S., certainly one of the most memorable was the football team's presentation of the First Place trophy for the Little Mac Conference to Coach Brintnall. The team started the year by setting basic goals for each member. Coach Brintnall read these goals to the student body and was proud to announce that all but two of these goals were achieved through the hard work of the players. Coach Brintnall also announced the players elected to All-Star status for our conference. Of the twenty-three players, nine were chosen to the All-Conference team.

A special thanks goes to Coach Brintnall for all his hard work and effort put forth through his many years at H.H.S.

DEFENSE

This year marked one of the finest in Hendersonville's football history. The Bearcats seem to have adapted perfectly to the veer offense, just initiated last year, as Coach Phil Brintnall led the H.H.S. team to victory in the Ivy Division of the 3-A Little Mac Conference. Consequently our team had the honor of competing in State competition, where we unfortunately were beaten by Tuscola in our first round game. The most outstanding characteristic of this year's football team had to be its great show of sportsmanship; however the team's determination was evident in the outstanding effort made in each play. Their sportsmanship was obvious in the way they graciously took a loss. We congratulate this year's football team for again demonstrating that "Touch of Class" which is so characteristic of H.H.S.

VOLLEY

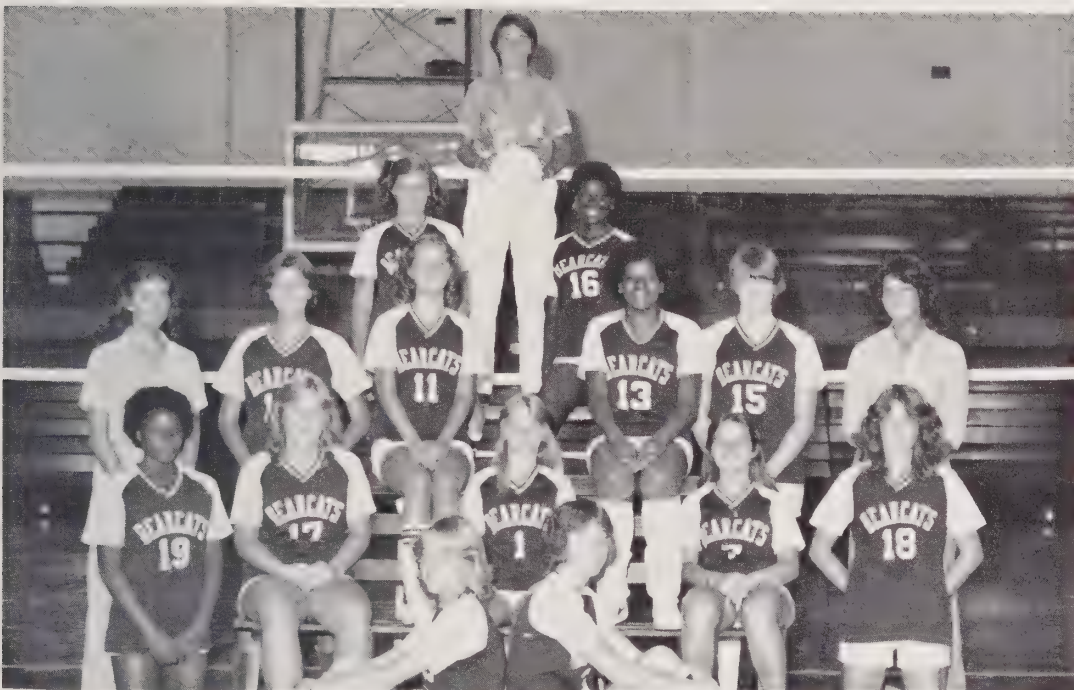

The Varsity Volleyball team ended this year with an overall win-loss record of eleven and four. Though often performing for far less than a packed gym, the Lady Bearcats played magnificently. In conference play, the team finished in second place with a record of nine wins and three losses. Their hard work and fine playing ability has made them a shining example for all sportsmen. Congratulations to a team whose strong determination and spirit has made them something for which H.H.S. can be truly proud.

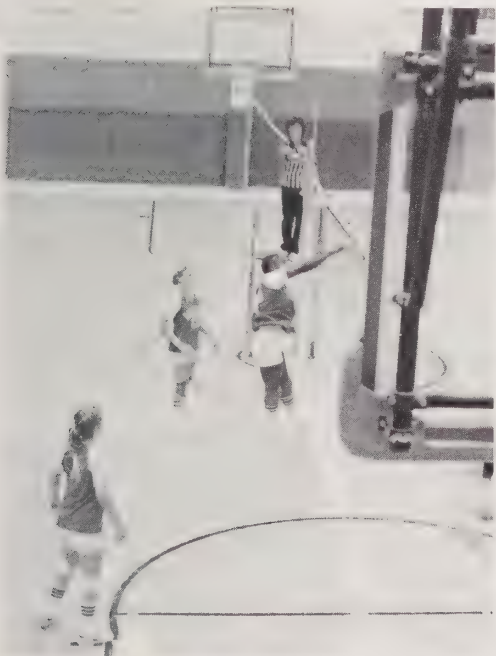

For the J.V. Volleyball team, this was a year of maturing and developing skills. Though the team finished the season with a record of only one and eleven, individual play progressed and improved over the course of the year. Through their hustle and determination, the J.V. players proved to be an asset to the sports tradition here at H.H.S.

VARSITY CHEER-

LEADERS 1980-1981

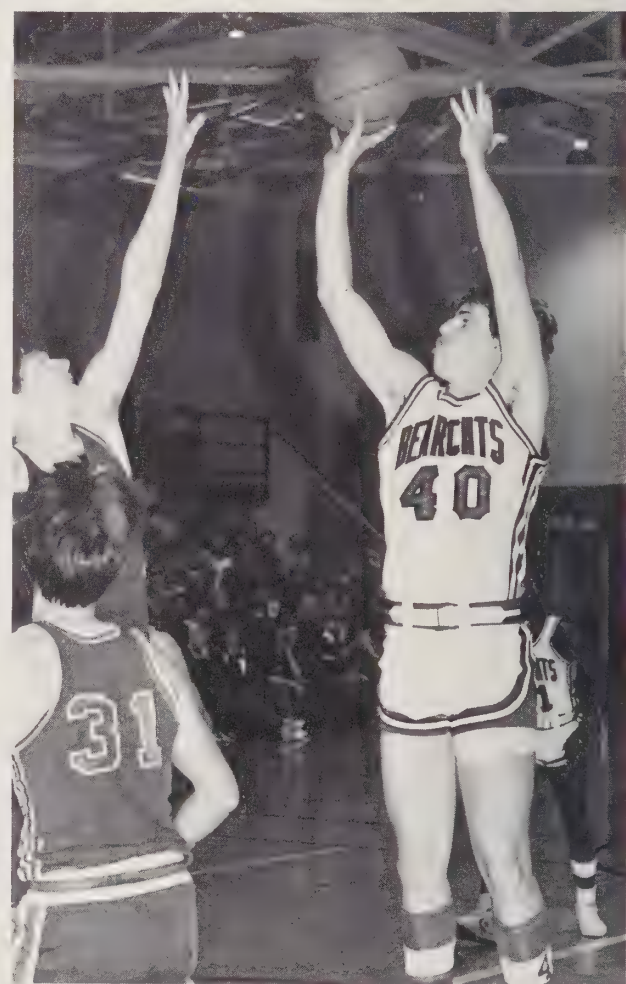

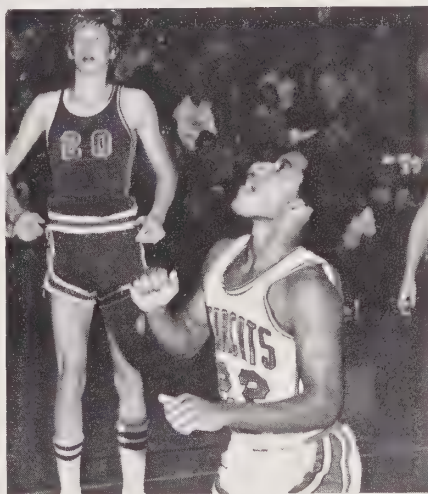

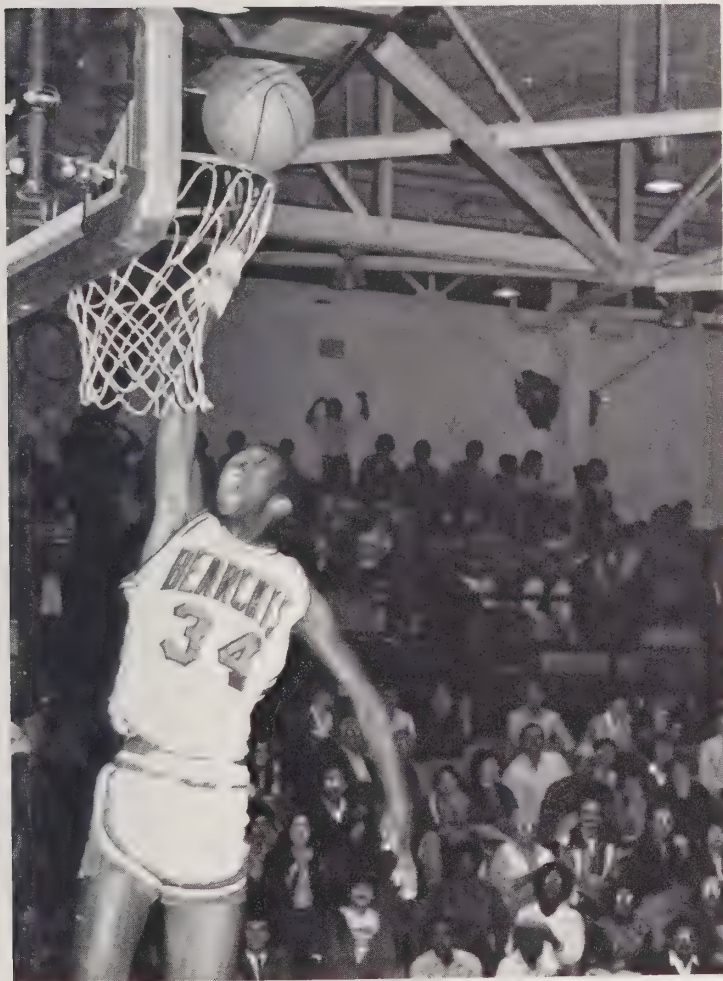

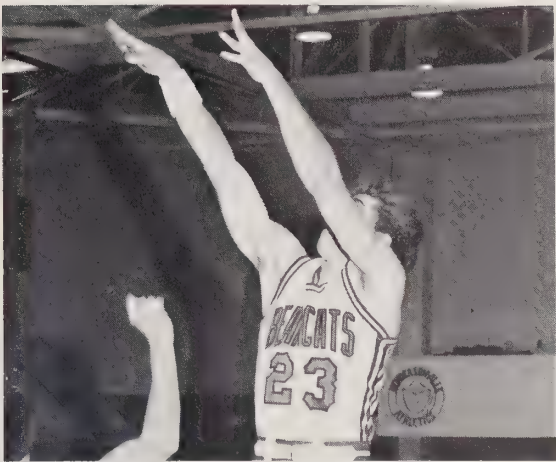

This year's cheerleaders, as directors of the school's spirit, exhibited an unimaginable amount of energy. Their unquavering amount of support and enthusiasm contributed greatly to the many wins of each team in our school. Too often these unsung heroes are overlooked for the major part they play in boosting team morale. Thank you, for a year of unending vigor and spirit, and for adding just a little bit more of that "Touch of Class" to H.H.S. that enables us to "look so good together."

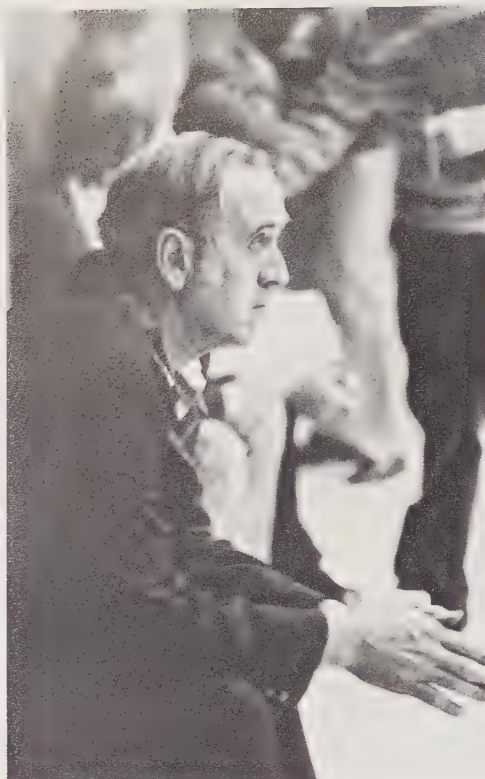

VARSITY BASKETBALL 1980-1981

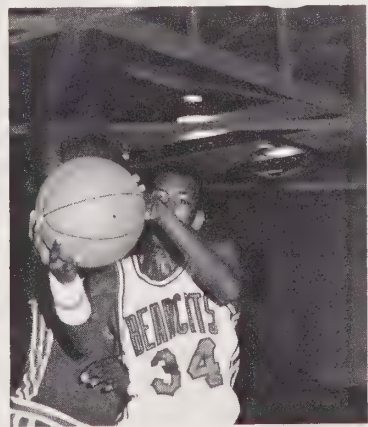

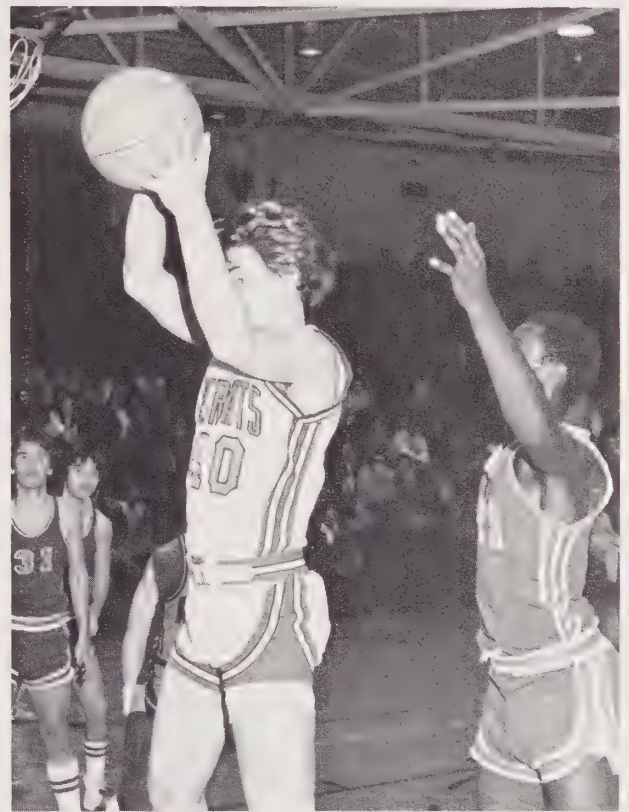

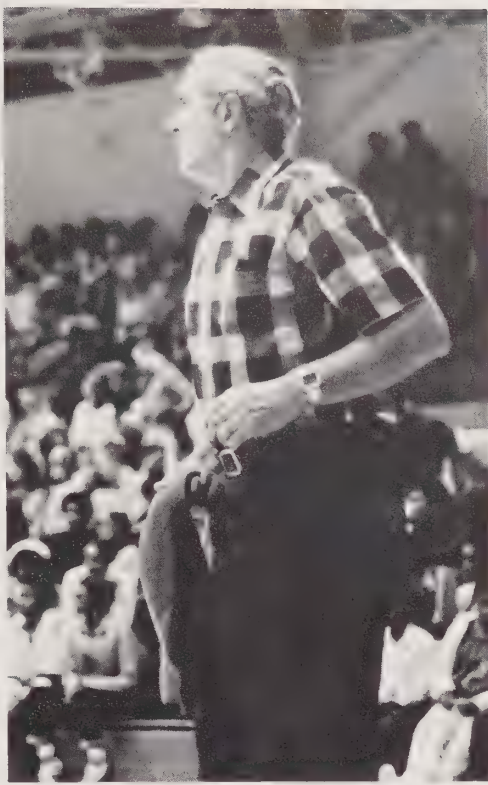

The Varsity Basketball team this year faced a year of rebuilding. Though hindered by a lack of experience, they bore up under the pressure and played a fine season. Their key word for them was "determination." And, as always, H.H.S. can say "We are proud of you" to the basketball team for their great performance.

The girls' basketball team had one of their best seasons this year. Halfway through the season the Lady Bearcats maintained their record of only one loss. Things just seemed to come together for them this year, but a lot of hard work helped their winning season. Congratulations to the finest female team H.H.S. has seen in a while.

Acreage - Residential - Commercial

Dear Graduates:

Ever Since the early American settlers bought land for 2 cents an acre, real property has provided the largest single means for the accumulation of individual wealth. Nobody ever gave any better advice than John Jacob Astor when he said, "Buy on the Fringe and wait". In fact, the largest handlers of private funds in the world, banks and insurance companies, have invested in real property. Wouldn't it behoove you as a private individual to do the same thing, to consider most seriously the many proven ways to build a future through real property?

It takes money to make money and the more you invest the more you make. Let the primary and secondary mortgage lenders be your "silent" partners. You invest 15% to 30% in a property and the lenders invest 70% to 85% of their money with you. With the lenders aid you can make double to quadruple on your investment while the lenders are satisfied with their 10% to 15% yearly interest rate. In this manner you can make profits two to four times as great than if you were limited to your own small funds.

Then too, wouldn't it be a comfort to you to know that a large experienced financial firm is looking over your shoulder, advising you, approving your investment and saying, "Don't be afraid, we are putting up 3 to 5 dollars for each dollar you are investing." What other way can you use other peoples money any more honestly or profitably?

Only through real property can you enjoy all of the following benefits:

1. Appreciation, the ever-increasing of value thru inflation.
Real Estate has always been the best hedge against inflation.
2. Greatest net cash return on your investment.
3. Depreciation, if income property.
4. The ability to control your own investment. You can't tell a bank or corporation how to run their business.
5. The availability of Capital Gains tax when held the proper length of time.
6. The opportunity to creatively use your wits. Ingenuity pays off when used to upgrade properties or create new ideas.

Hendersonville is GROWING, more so than many of us realize. Take a day off and ride around on roads and streets you haven't used lately and see signs of PROGRESS everywhere. Better yet, take a small plane flight over the county, particularly during the winter months and see new homes where you never dreamed there were homes.

We are situated in the geographical center of the eastern part of the US, 100,000,000 people within a days drive, the "City of Four Seasons", Retirees' Heaven, New industrial Haven. What more can you ask?

I'm going out on a limb and predicting a solid city from Saluda to Asheville by the year 2000 with Hendersonville the Cultural Center, so lets all band together and keep our City beautiful by proper planning for that future.

Remember, Dollars Never Die, they just fade away
so protect yours by investing in Real Estate.

When we look back at this year, what will we remember? Certainly the election of '80. The pre-election polls told us Carter and Reagan were close, but the election showed us differently. Here at H.H.S. we took our own poll, shown on the facing page. In some cases we were far from the actual turn-out.

BEST-DRESSED TEACHERS

Right: The new fashion in hats?

Above: This teacher isn't pleased he's not on the prep list.

The Red and White staff has come up with their Top Ten Preps List for '80-'81. Also included are the three top teacher preps. But preppies weren't the only ones who made up the "elite" group of those with good taste and a sense of fashion this year. The cowboy hat fad raged on, crew cuts suddenly came back, and the anti-preps continued their campaign to kill Izod. But of course, the prepple people persist. Oxford shirts, penny loafers, and the ever-present alligator were seen throughout the year, and often on the most unexpected people ... including teachers. Generally, the year was one filled with some freaky fashions, but a lot of GOOD LOOKS turned up. Bearcats are always in fashion and the way we dress kept us LOOKIN' GOOD TOGETHER!

PRANKS, STUNTS, AND GIMMICKS

Chris Stepp

This year, as in all years, we saw many gags. Some were weak attempts at humor, but others were genuinely funny. From the soc-hop announcements to Senior pranks to Freshmen initiation, we had a fun year. All of the stunts and gimmicks can't be found on these pages. We may have missed getting pictures of some of the best — such as the Senior beer garbage can or the band room turned into a health spa — but obviously we had a good year together — laughing and enjoying ourselves.

JUST STUFF...

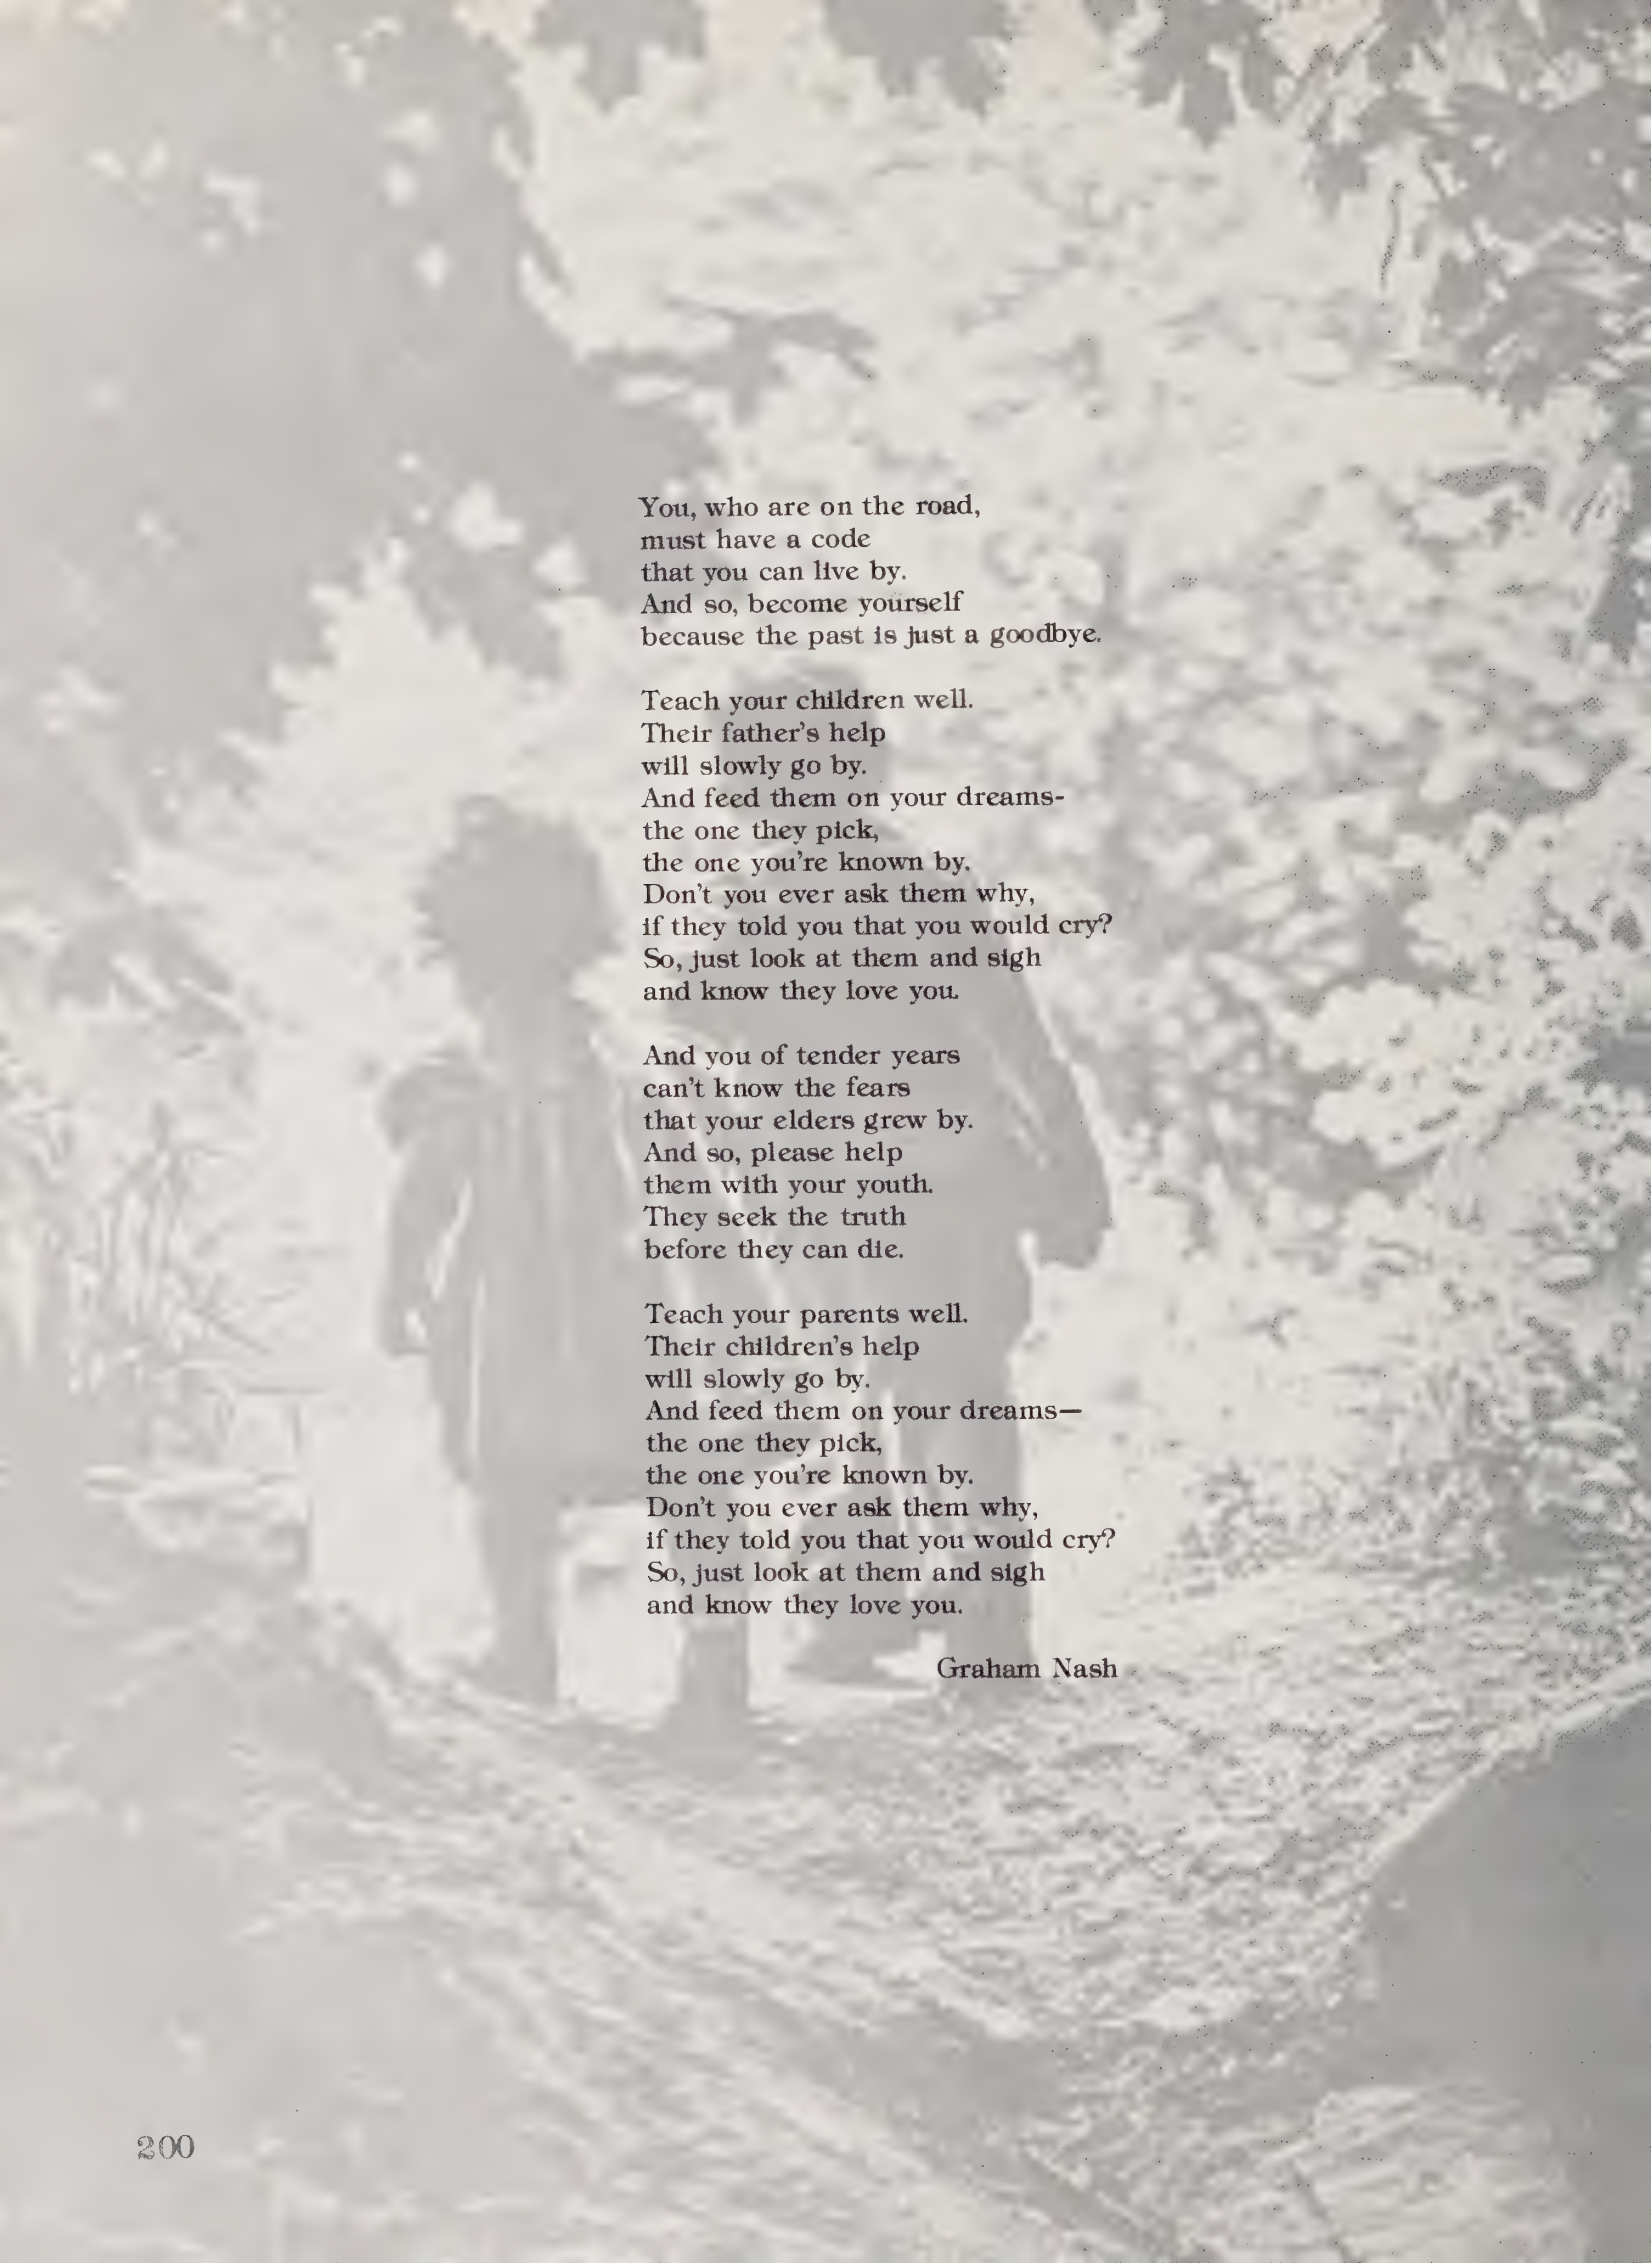

WE WERE LOOKIN'

When we look back at this yearbook, what will we see? Hopefully, we'll see a little bit of each of us — all the special moments of the year reflected in these pages. There are friends, fun times, hard work, shared smiles, worries, jokes, cares, and growing ... together. As we take a look, we see we did look good together. Our smiles and spirit shined through the overload of homework, through all the problems, providing us with a memorable year. We did have a good year and ...

GOOD TOGETHER!

You, who are on the road,
must have a code
that you can live by.
And so, become yourself
because the past is just a goodbye.

Teach your children well.
Their father's help
will slowly go by.
And feed them on your dreams—
the one they pick,
the one you're known by.
Don't you ever ask them why,
if they told you that you would cry?
So, just look at them and sigh
and know they love you.

And you of tender years
can't know the fears
that your elders grew by.
And so, please help
them with your youth.
They seek the truth
before they can die.

Teach your parents well.
Their children's help
will slowly go by.
And feed them on your dreams—
the one they pick,
the one you're known by.
Don't you ever ask them why,
if they told you that you would cry?
So, just look at them and sigh
and know they love you.
